

North Branch is coming along nicely, and we're on track for a mid-summer opening!

We've recently painted, installed the tile in the bathrooms, and are getting ready to move on to the carpet. You can check out the latest progress pictures [here](#).

We can't wait for you to come back to the library, but first, we need your help to make it yours.

That's why we're asking you to submit a literary or library-inspired quote that you think captures what the library is to your community.

We will choose several quotes to feature on the walls throughout the building.

We can't wait to see what you come up with!
