

As we continue the project to [Re|imagine our library buildings](#) for the 21st Century, YOUR branch is next! Re|imagine is our plan to make your branch an inviting space that inspires and empowers you to pursue creativity and lifelong learning.

The Perry Sippo Branch was built as part of the Exploration Gateway in 2006, on the serene and beautiful Sippo Lake. Your branch will be upgraded with décor and features to make your library a place you want to spend your day. You'll have new technology, including laptop lending and self-check stations, comfortable furniture, study rooms, and so much more. [Click here](#) for details.

**What to expect while we're closed**

Our last day of service is Saturday, February 12th, and we'll be closed for about five months. We'll communicate with you regularly via email during the closure and will let you know when we'll re-open.

While we're closed, we'll do our best to provide you with alternate ways to access library materials and services. The bookmobile will be on site at the parking lot adjacent to the branch at scheduled times. Keeping our patrons and staff safe is our utmost priority, so you'll be required to wear a mask on the bookmobile. You will be able to browse, pick up your holds, and access other library services from the bookmobile.

**Bookmobile Schedule \* Beginning February 14th**

Mondays/Saturdays | 10 am - 1 pm

Tuesdays/Wednesdays | 1 - 4 pm

Thursdays | 3 - 6 pm

Fridays | Closed
