

As we continue the project to [Reimagine](#) our library buildings for the 21st Century, YOUR branch is next! Reimagine is our plan to make your branch an inviting space that inspires and empowers you to pursue creativity and lifelong learning.

The Lake Community Branch was known as the Hartville Branch of the Canton Public Library when it opened in November 1960. It moved to share space with the Hartville Fire Department in 1977. It has been at its present location, at the Lake Community Center (which also houses Lake Middle and High Schools, Mercy Health Center of Lake and the Lake YMCA) for nearly 20 years. Your branch will be upgraded with décor and features to make your library a place you want to spend your day. You'll have new technology, including laptop lending and self-check stations, comfortable furniture, study rooms, and so much more. [Click here](#) for details.

What to Expect While We're Closed

Our last day of service is Saturday, October 1, and we'll be closed for four- five months. We'll communicate with you regularly via email during the closure and will let you know when we'll re-open.
