

# Library Giving Day

Today's the day! It's the day that library lovers all over the country have an opportunity to show their support for their library. And we invite you to join the celebration!

Every day Stark Library connects people in our neighborhoods to resources they need from people they trust - like our library staff.

This year, almost 10,000 kids will receive a book each month from Dolly Parton's Imagination Library, thanks to donations from people like you!

Thousands of people visit their neighborhood Stark Library location each week to access FREE public computers and use the WiFi.

This summer, Stark Library bookmobiles will visit locations in Canton to provide learning experiences and food to thousands of families in need.

**#LibraryGivingDay** is your opportunity to give back and help us do even more to serve our community!

Today, we invite you to show your support to your library by donating on **#LibraryGivingDay**. Your gift, no matter the size, will make an impact in your community!
