

Don't miss this chance to personalize your library!

The Perry Sippo Library is coming along nicely and we're on track for a July opening! We'll announce the grand opening date and time soon. You can check out the latest progress pictures [here](#).

We can't wait for you to see the inside, but first, we need your help to make it yours. That's why we're asking you to submit a literary, or library-related quote that you think captures what the library is to your community. We will choose several to feature on the walls throughout the new building.

We can't wait to see what you come up with!
