

Your Library is about to take the first step into the future! The Lake Community branch will close soon for a major renovation as part of the Re|Imagine project. Re|Imagine is our plan to make your branch an inviting space that inspires and empowers you to pursue creativity and lifelong learning. If you haven't seen the floor plan, here it is!

The last day we're open is Saturday, October 1, and we'll be closed for four-five months. We'll keep you updated on the latest news via email.

Your branch will be upgraded with décor and features to make your library a place you want to spend your day. You'll have new technology, including laptop lending and self-check stations, comfortable furniture, study rooms, and so much more. [Click here](#) for details.
