Index to 1943 Obituaries in the Canton Repository

The following is an alphabetical listing, by the deceased's surname, of obituaries that appeared in the Canton, Ohio newspaper, The Repository. It was compiled by the library staff during the course of the year in the hope that it would be a useful tool to genealogy, as well as other researchers.

To use this index, simply locate the name of the person whose obituary you wish to find. The entries will appear as follows:

Miller William A. (Estella M.) Mrs. 1940 Jan. 13 30

The first column is the name of the deceased. The second gives the date on which the item appeared. And the third tells the page number containing the obituary.

You may find one name with multiple listings showing different dates and locations in the paper. This indicates consecutive listings for that individual. I encourage you to view each for additional information.
