The following is an alphabetical listing, by Surname, of those who voted in elections in Lake Township, Stark County, Ohio, during the years 1858, 1874, 1875-1876. These books can be found on microfilm at the Stark County District Library.

To use this index, simply look of the surname of the individual as follows;

<u>Last Name</u>	<u>First Name</u>	<u># In Book</u>	<u>Year</u>	<u>Book I/II</u>	<u>Notes</u>
ABRAHAM	Henry	156	1876	I	

The first two columns give the name of the individual. The third column is the number listed next to the name on the document. The fourth column is the year of the election. The fifth column indicates which book the individual appears in. Please note that 1874 only has one book so that column is left blank. The last column is a place for notes.

These Poll Books were copied exactly as they appeared on the microfilm. In some cases there was tape on the document that made the handwriting nearly impossible to read. Please note that when handwriting was a issue the compiler used the U.S. Federal Census' between 1850-1880 to cross reference names and spellings.
