

Marriage Records of the Marlboro Monthly Meeting of the Society of Friends (Quakers)

PLEASE READ: Below are marriage records found in the meeting minutes and marriage record books of the Marlborough Monthly Meeting of northeast Stark County, Ohio, covering 1828 - 1870. Quakers were often married by Banns, whereby the couple's intention to marry was announced in church for several consecutive weeks. If no objections were raised, the couple was married at the end of the waiting period. **No civil marriage licenses were issued.** Most, if not all, of these records will not be recorded anywhere else.

The records are arranged here alphabetically by the groom's name with a brides' index at the end of the document which refers you to the groom's entry. The letters and numbers in brackets [] ending each entry are the source and page number of the original records.
