

Transfer Records of the Marlborough [OH] Monthly Meeting of the Society of Friends (Quakers)

PLEASE READ: What follows is a list of certificates from the Marlborough Monthly Meeting *Book of Transfers, 1829 – 1882*. Certificates were given to members who were leaving the area. The certificates recommended them to the monthly meeting at their new residence assuring the new meeting members that the transferee was a member in good standing and that they should be accepted into the new meeting with no reservations.

To find a name you can use the “find” feature of Adobe Acrobat by holding down the “Ctrl” key while pressing “F.” Then type the name into the small window that appears. Due to variant spellings of the names, you may need to do multiple searches, or you can simply scan the document for the names.

Abbreviations: transf.= transfer, req.= requests, cert.= certificate, MM = Monthly Meeting. There is a list of locations of the meetings named at the end of the document.

Copies of the original records are available from the Stark County District Library using their online form at www.thesmartstore.org/home/genealogy/request-form
