

# Marlborough, OH, Monthly Meeting of Friends

## Membership List, 1795-1880

**PLEASE READ:** Below is a list of the people mentioned in the Membership List of the Marlborough Monthly Meeting of Friends (Quakers) housed in the Genealogy Division of the Stark County District Library. It is unknown whether it is a comprehensive list of members for the given dates or not, but these are all the names that were listed. Due to the way the records were formatted, it was sometimes difficult to know to whom a particular note on the right-hand side referred or if it referred to the whole family. Spellings were maintained as they appeared in the original record, so be sure to search for variant spellings. For the members listed as "deceased," many times it isn't clear whether they died as a child or had died as an adult before 1880. Second wives are indicated by an asterisk (\*); third wives are indicated by two asterisks (\*\*). Any items in the notes column that were added by the indexer are in brackets [ ], all other notes are as they were found in the original record. The abbreviation "MM" stands for "Monthly Meeting." Copies of the original records can be ordered from the Stark County District Library using our request form at <https://www.thesmartstore.org/home/genealogy/request-form>.
