ABOUT THE LIBRARY

One of the 8 largest library systems in Ohio – and the county’s oldest library -- Stark County District Library serves the community through 10 locations, six mobile libraries, and a 24/7 digital branch.

A 2009 winner of the prestigious National Medal for library service, the Library serves over 100,000 active cardholders, annually circulating 3.5 million items from its 1.2 million item collection and providing access to an additional 66 million items from lending networks throughout Ohio. Each year the library presents nearly 8,000 programs for 170,000 attendees and provides 280,000 computer sessions on the publicly available computers found in each branch.

Today, as it reimagines itself as The Smart Store, where everything is free®, the Library is emerging as a national thought-leader with innovations such as its “no overdue fines” policy, the recently launched BikeSmart bike sharing network, and the Start Smart School Partnership.
