Westlaw® Database Now Available at Stark County District Library

February 18, 2014 – In partnership with the Stark County Law Library, the Westlaw® database is now available at the Stark County District Library. This service is available only inside Stark County District Library buildings, but not remotely. In conjunction with the Stark County Law Library, the SCDL is able to accommodate three concurrent Westlaw® database users at a time.

Offering Westlaw® increases patron access to Ohio legal forms. The database provides perusable tables of contents for its many titles, as well as keyword searching. It also includes 'Ohio Jurisprudence 3d,' an encyclopedia of Ohio law with summaries on a wide range of topics and includes links to relevant cases and forms. This title is an excellent resource to use when starting a search for legal information.
